# **Recording Sheet Instructions 2020 v1**

At least 2 people should be involved in the recording process at the gala.

The results are recorded using an Excel spread sheet. As there have been significant changes to the system it is a good idea to familiarise yourself with the spread sheet before the gala.

### Ridings League gala:

- 1. Add swimmer names to individual events from the team sheets during warm up; remember a swimmer can only do **two** individual events.
- 2. ALL times must be entered in the same format as the time shown in Column D.

- 6. If the Ridings League Standard Time is beaten the ST Pts score will highlight PURPLE.
- 7. Enter the times in LANE ORDER for each event; then insert positions in the appropriate cell. Points calculate automatically; if a number is typed in the Gala Pts cell the formula is over written. Replace by copying from a similar cell.
